

## *Special and Discounted Copier Pricing Opportunities*

There are many organizations throughout the state of Georgia that qualify for published special pricing on copiers and office equipment. These pricing groups can get you steep discounts on copiers and save you a great deal of money! At Consolidated Copiers, we are completely transparent about all the pricing options available to you.

We also encourage you to ask any dealer you consider about special pricing and verify that the machine proposed is indeed under the catalog they claim, as some dealers have been known to make false claims about their special pricing proposals.

Some of the most prominent special pricing catalogs available include:
